Maren has been painting murals for 15 years. Beginning with her children's rooms she discovered her love for making rooms come alive.

"As the co-founder and director of 4 H.I.S. Ministry, a church restoration and growth ministry, as well as a guest speaker for churches, women's and children's ministries. Painting is a wonderful outlet, a lot of fun and a source of provision. I would love to design a room for you and help it come to life!"

# MURALS BY MAREN

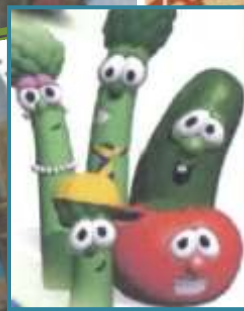

Youth Rooms  
Sunday School Wings  
Nurseries  
Kids Rooms

Atmosphere plays a very important part in setting the stage for programs and setting the tone for enthusiasm. A great room invites people to relax and to participate, welcoming them in. Taking the time to plan a fun children's wing, a beautiful nursery or a cool youth room shows people that you care, that you want them to be comfortable and that serving God is an adventure!

While there are expenses and time involved it is always my goal to see that every church can put their best foot forward regardless of financial constraint.

Big or small I will always do my best to work within your budget and give you the best I can. This flows from the heart of "4 H.I.S. Ministry" which seeks to serve and build smaller and struggling churches, assisting them to reach their full redemptive potential.

This service assists in supplementing our income as we serve these churches. For further information visit [www.4hisministry.org](http://www.4hisministry.org)
